## EXPERIENCE

### BLOCKCHAIN & GAME DEVELOPER

2023 - CURRENTLY

Using my genius artistic sense, I pioneered 3D modeling and the game industry, and the entertainment I developed in combination with blockchain was very well received by people. In particular, I have extensive knowledge of NFT games.

### FULLSTACK DEVELOPER | JSGURU

APRIL 2019 - SEPTEMBER 2023

While working as a full-stack developer at this company, I achieved many achievements for the company's development. As a result of my hobby being art, I possessed professional front-end development skills, and although I was a new developer in this field, I was recognized as the company's top expert, and I demonstrated high skills by being responsible for design planning and inspection of all development products. In addition, I was evaluated as an indispensable developer for the company because I possessed perfect error correction skills in the back-end.
